

Get Irrigated, Not Irritated!

FREE Water Conservation and Lawn Irrigation Workshop

July 28, 2012

City Hall's "Great Lawn"
1200 E. Broad St. (Behind City Hall)

8am-12pm

This event is FREE to Mansfield Residents.

Hosted by Mansfield
Water Utilities

Cookout & Refreshments
will be provided.

Whether you already have a lawn irrigation system at your home or business, or you want to have one, come see for yourself how your lawn irrigation works from start-to-finish!

Water Utilities will have an above-ground lawn irrigation system built (as a demonstration) and they will teach how an irrigation system works from beginning-to-end.

Classes will include these topics:

- How to build a lawn irrigation system
- How to repair minor issues
- How to program the system to operate efficiently & save money
- How all the components of your system work together

Don't worry about the heat! Refreshments & a Cookout will be provided, as well as, tents and fans for shade and staying cool!

To register, contact Arianne Shipley @ 817-276-4297 or water@mansfield-tx.gov
Registration Deadline: July 25, 2012. First 30 residents to register will receive a door prize!

Children are welcome to attend! H2Owen will be on-site! Water Conservation activities & giveaways are provided.
